The Honorable Patrick Leahy
Vice Chairman
Select Committee on Intelligence
United States Senate
Washington, D.C. 20510

Dear Mr. Vice Chairman:

I understand that the Committee has recently received an unclassified version of the Committee's report on counterintelligence and security countermeasures. Our staff reviewed the entire report and removed all classified portions.

The Director has asked me to notify you that as stated in his telephone conversation with you on Tuesday, 30 September, he has no objection to the Committee publishing the report in this unclassified form. However, he asks that you remind the Members and staff that the report is likely to generate questions from the press and others, and that we should not allow ourselves to be drawn into discussions which elaborate or otherwise give details not contained in the report itself.

A similar letter is also being sent to Chairman Durenberger.

Sincerely,

STAT

David D. Gries
Director of Congressional Affairs
